Discussions

Having the guest artist concert in November with John Harbaugh, Professor of Trumpet from Central Washington University went great. Many of the parents commented to Brad Johnson how much they enjoyed seeing John work with the student during the clinic. For the next concert where we have a clinic, we need to try to mic the clinician so the audience can hear what they are saying to the band.

Saturday December 5th at 10:30am there will be a dry run of student's luggage and instruments in Mr. Hazenberg's trailer that is going to Disneyland. Brad emphasized for the students to bring their bags with clothes in them, not empty.

Winter Concert December 10th, we will be having refreshments and a giving tree. Also, there will be scarves for sale and a 50/50 raffle. Brad will be sending out an e-mail requesting donated baked goods that can be sold for a dollar at the concert.

Fundraiser

The activity committee has arranged for bowling after the dry run for the Disney baggage. It will be at Secoma Lanes at 11:30am. Tickets are \$12.00 and include two lines of bowling and shoes. Two dollars per ticket sold will be donated to the Band Boosters.

Big Band Showcase

The Big Band Showcase is coming up February 20th, 2016.

The donation tracker is up and running. **Volunteers are needed to get more donations.**
