Big Band Showcase

Amy Adams gave her report.

Everyone agreed that the having CWU Jazz Band #1 was a great get that helped us achieve the best attended Showcase in many years. Both CWU's and Decatur's performances were outstanding. CWU students seemed to really enjoy playing with the Decatur Jazz Band, and were very approachable and friendly with Decatur students. This experience will be remembered by the Decatur Jazz Band for years to come.

The group contributed additional ideas for next years' fundraiser.

Thank you letters will be sent out to donation contributors, (businesses etc.)

Special shout outs to everyone that helped make the Big Band Showcase a success.

Meeting adjourned 8:15pm
